ABOUT US

Globe Panel a technology-induced log of laminates is a distinctive platform providing a vast collection of laminates belonging to different categories. It has classic pieces having timeless in esse. It also has next-generation pieces having a contemporary feel. This catalogue addresses nature better than all as it has some of the gorgeous pieces that imitate the beauty of wood to the fullest. Having them around can make you feel one with wilderness and poise altogether. Apart from that, there are certain pieces having the board is an assertion of inviting prime elegance into spaces. Not to miss out on one of the most loved finishes of the current time, matt, GL also has an inclusion of striking matt finish laminates. The soft and subtle finish of matt is accompanied by pallid hues that narrate the tale of sobriety. The collection has also covered elements of glamour. All in all, it is a go-to almanac of surfaces decor elements having best of both the worlds.

FEATURES

A complete dimensionally stable product with the unique resistance power against

- Surface Wear
- Any kind of Stain
- Immersion in Boiling Water
- Scratching
- Cigarette Burns

PRODUCT SPECIFICATIONS

Product: Decorative Laminate Sheets

Size: 2440 x 1220 mm

Thickness: 1.00 mm (± 0.05 mm)

Finish: Matt, Gloss, SF and World Class Textures

Maintenance: Clean with mild soap solutions or household detergent, abrasive cleaners should not be used. It is recommended for vertical use only. Avoid direct sunlight.

Resistance: To surface wear, immersion in boiling water, dry heat, impact by small dia. ball, cigarette burns, staining, scratches, color change in xenon light.

- Guaranteed Thickness.
- High Quality Back Sanding.
- The samples shown in the Shade Chart are only indicative of the colors, patterns, and shades available.
- Company warrants that all its products are free from manufacturing defects and perfectly fit for use under normal conditions. In case of any claims, the liability of the company is however limited to the cost of the product only.

Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. **Limited Warranty:** GL warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviation, related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. GL products are used for various applications without the possibility of control over the manufacturing of the finished products. The Company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.
