## ABOUT US

Door skin, a quality product from Generic., is perfectly crafted to make your entrance beautiful. Door is the first thing people see when they visit your house. The entryway and the door are the last things people remember, when they leave your home. As per the VASTU the doors are the gate for positive energy that enters your home. That is why door must look bright and beautiful for your reputation and well being.

Inside this catalogue you will find a variety of door skin designs to match up with your interior. Starting from textures, digital, High Gloss and premium door skin, all are stylish and beautiful in its own way.

The product is only as good as the quality of raw materials and the processing that it goes through. Needless to define, the passion to bring in sustainable architecture and also setup an unrivalled infrastructure has made us prompt in ascertaining quality being maintained at each step. In the entire manufacturing process, we incorporate the finest resources in our products ensure that our final products not only conform to but exceed the requirements of the most stringent global quality standards.
